Facials & Anti-Aging

In my facials I use a range of products from a number of premium product houses to deliver the very best treatment according to your needs.

Prior to treatment I conduct an in-depth consultation to assess your skincare & wellness needs.

Recommendations are made according to desired endpoints, lifestyle & feasibility.

Bespoke Signature Facial

A personalised luxury facial treatment experience incorporating a bespoke combination cosmeceutical skin treatments & specialist massage techniques. The selection of serums, masques & gadgets utilised ensure you leave your treatment looking & feeling like the very best version of you.

From £90.00 – 45 minutes

Express Cosmeceutical Power Facial

Be red carpet ready in record time. Skin is cleansed, exfoliated & steamed followed by the application of a potent cocktail of cosmeceutical actives that leave your skin clear, taught, hydrated & radiant.

An essential skin treatment for the time poor.

From £60.00 – 30 minutes

Bespoke Brows & Lashes

A complete bespoke lash & brow design service to compliment your features. Comprised of a combination of tinting, shaping & makeup techniques to create a look to fit for you & your lifestyle.

A patch test is required at least 48 hours prior to the initial application of any adhesive or tint.

From £30.00

Fake Bake Spray Tanning

Seamless, long-lasting sunless tanning using the legendary cult tanning brand & celebrity favourite Fake Bake. Various shades & formulations to choose from, allowing you to select the shade & intensity that is right for you.
